All,

Attached are the funding decisions for FY17 based on recommendations for allocating EPM, LUST Prevention, and LUST Cleanup tribal funding discussed at the Tribal RSO Panel Meeting in January.

I have received the documentation from most of the regions for task orders under the Indian Country Cleanup contract (BERS). I will be sending the task order requests to OAM (contracts) over the next few days and will let you know if I need additional information to move those forward. If I have not received the documentation from your region, please be aware that OAM has a May 31, 2017 deadline for making awards by the end of the fiscal year.

Please let me know if you have any questions or concerns.

Thanks,

Christine
